To Whom It May Concern,

I have been acquainted with Tom Hulsey on a professional basis since the latter part of 2005. Tom played a pivotal role in migrating the Waxahachie Police Department from analogue video capturing capability to a state of the art, cutting edge, digital video recording system.

I have remained associated with Tom on both a professional level as well as a personal level based on Tom's character. Tom represents the epitome of honesty and has proven to be straight forward in both his professional and personal dealings. Tom is a professional who understands what the customer needs, works relentlessly to achieve the goal, and has the integrity to stand behind all he does. I have complete confidence in recommending Tom for any job, project, or security level.

If I can be of further assistance, please do not hesitate to contact me by using the information listed below. Thank you for your time and consideration.

Sincerely,
